TIME

Rutland Historical Society and the Rutland Free Library

Foreword

A Talisman is a stone carved with symbols and it is considered to be a good luck charm. Our 1969 Talisman is carved with the symbols of our past three years at Rutland High School. It is a sign of the times in which we have grown.

At Rutland High School we have obtained both academic knowledge and knowledge of life through study and experience. The success of the individual lies in the happiness and fulfillment derived from this foundation as we apply it to life.

It is difficult to state in words our appreciation of the faculty and record the memories of our experiences as students, but we, the editors of the 1969 Talisman, hope that our attempts have been successful.

If not now, when?
If not us, who?

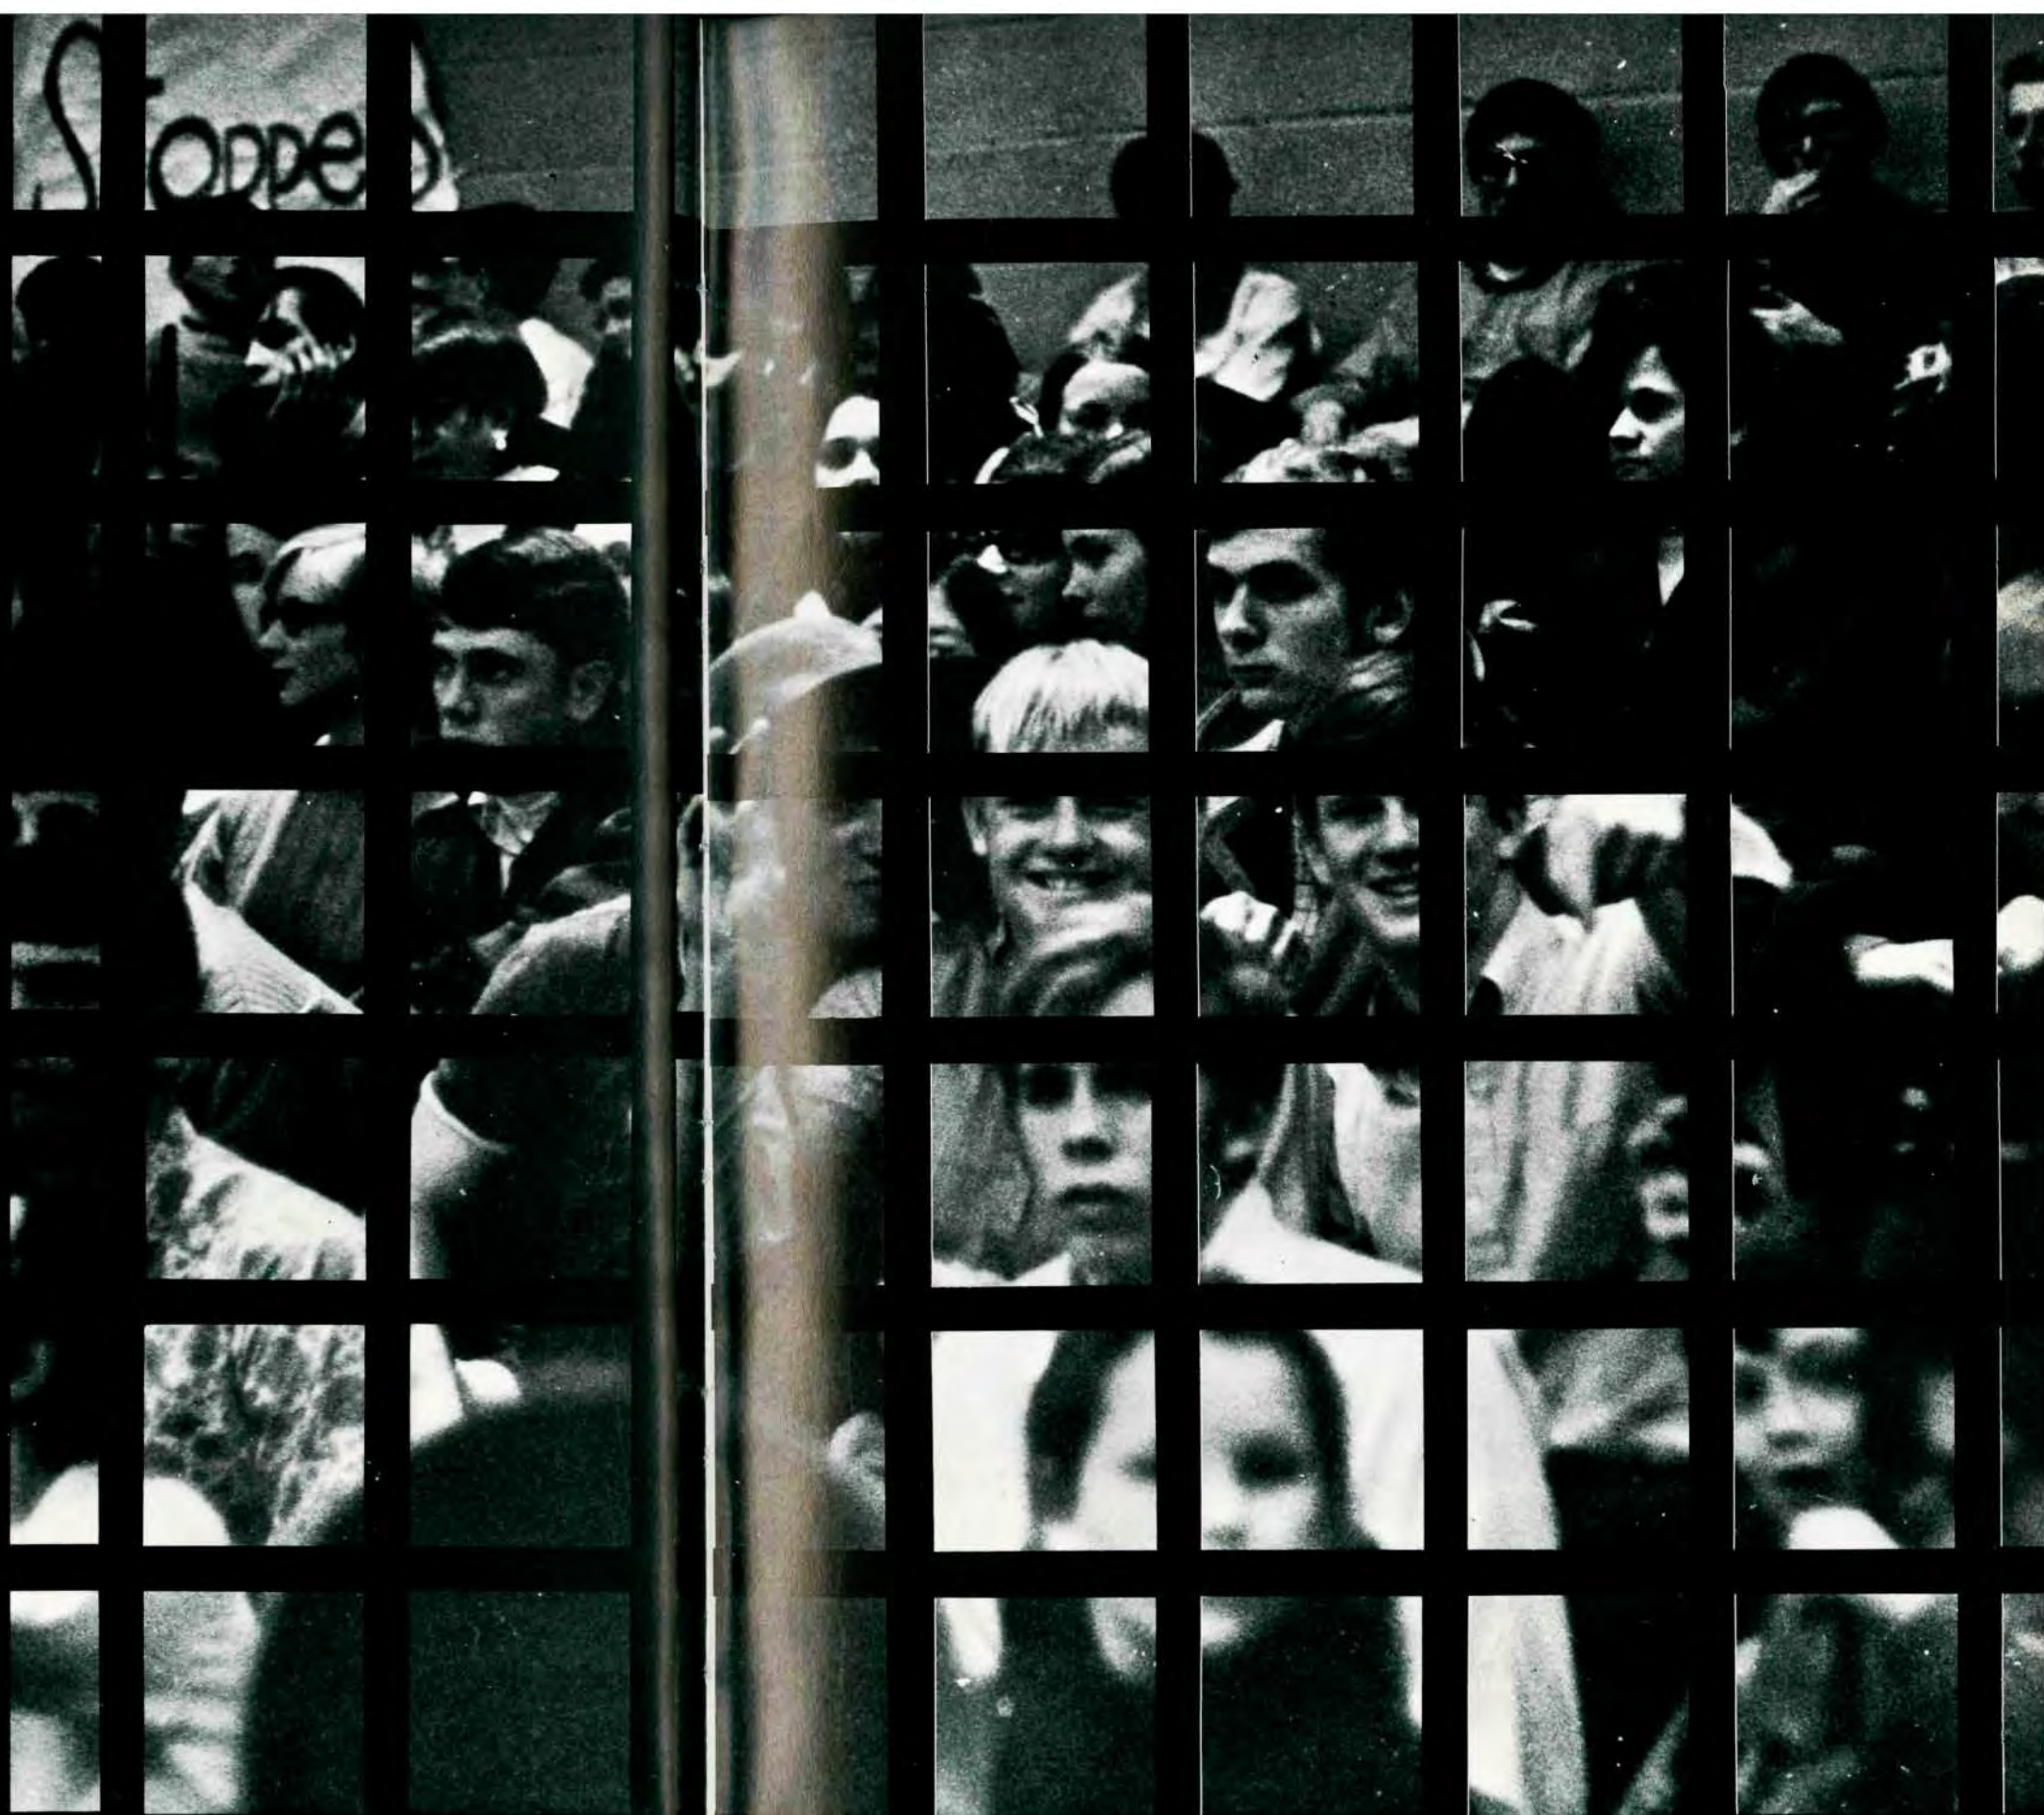

Dedication

Robert Smolinski

We, the class of 1969, dedicate our Talisman to Mr. Robert Smolinski. As a guidance counselor Mr. Smolinski plays an important part in aiding Rutland High School students in their present and future decisions. In the two years that Mr. Smolinski has been at Rutland High School, he has shown ability and dedication in fulfilling this job as counselor and friend. Therefore, we dedicate this Talisman to him as a token of our sincere appreciation and gratitude.

SENIOR SECTION

Senior Class Officers

Harriet Gluck, Secretary; Luisa Spencer, President; Lenny Savage, Vice-President; Lucy Holden, Treasurer.

After we graduate from Rutland High School we will not strive for personal success but that which is of value to all mankind. Along with the academic process of memorizing names, dates and figures comes the intangibles; honor, knowledge, wisdom and responsibility. It is these which are most important to our lives.

Graduation is the last stepping stone to our future. Whether we choose employment, college or military service, we must be prepared for reality. In these past three years everything we have experienced has helped to make us ready.

Many innumerable thanks to our teachers and parents who have aided and inspired us to become honorable, knowledgable and responsible human beings.

May we each be a sign of wisdom in our own time.

Luisa J. Spencer

ADMINISTRATION AND FACULTY

Dear Graduates,

Congratulations! Your graduation from Rutland High School marks the completion of a program of learning experiences which provides one of the foundations for your future adult success.

Now, at the time of your graduation, you are at the threshold of an adult life which will be remarkably different than any known heretofore. You have not reached this threshold alone! Remember your families have helped you and are proud of your accomplishments. Your teachers have provided direction for you and they are happy with your success. Your fellow students have provided competition and encouragement for your completion of our high school program. Graduates, thank all these people. Above all, thank the Supreme Being for His Divine Guidance and countless blessings bestowed upon you during the past years.

Good luck to all of you. You have a proud tradition to uphold and I have no doubt you will succeed as well or better than your predecessors. May success be yours and may you receive your full measure of the good things the world has to offer.

Sincerely yours,

James J. Tinney

Student Council

The Student Council represents the students of R.H.S. Council members are selected in homeroom elections and the officers are elected by the student body. The 1968-1969 Student Council Officers are Bill Bloomer, President, Linda Berger, Vice-President, Ann Stevens, Secretary, and June Wilson, Treasurer.

This year the administration stressed Student Council participation in school affairs. During the year the Council hoped to modify the school dress code, looked into the possibility of a student court, as well as provided final examination exemption for qualified students. The Student Council had high goals this year, but hoped to achieve them and student-faculty cooperation.

National Honor Society

The Rutland High School Chapter of the National Honor Society consisted of thirteen Seniors this past year. Each was inducted in the spring of 1968 for their qualities of character, leadership, scholarship, and service. Throughout the year, these members have carried on their qualities in such activities as the Brandon Training School Share Program and selling candy at the basketball games. Each member of this society would like to express their thanks for the help the faculty has given them on the road to college.

Girls' State

Five girls were chosen from the class of 1969 in their junior year to attend Green Mountain Girls State at Vermont College in Montpelier. The girls were picked on the basis of their qualities of leadership, character, scholastic achievement, and their interest in government. Each girl participated in a mock state government which included elections to town, county, and state offices.

For the entire six days the girls attended speeches, assemblies, and even participated in two evenings of entertainment. Many awards were given out which included Donna Icken's election to Girls Nation. This year's session of Girls' State was rounded out with a ball with Boys' State.

Seated—Earl Olsen, Mike Schoenfeld, Gary Hazard, Steve Sachten. Standing—John Thomas, Bill Goodrich, Barry Mangan, George Smith, Rick Pulling, Bill Bloomer, D. Lind.

Boys' State

Eleven boys from the Class of '69 were chosen by the faculty to attend the thirtieth Annual Boys State at Norwich University. Scholarship, leadership, athletics, and citizenship were the qualifications necessary to be chosen for participation in the 1968 conference.

During the seven day session boys sought to learn more about state and local government by making model towns, counties and a model state legislature. Lectures and discussions supplemented the boys' knowledge from experience obtained in making their government operate.

Girls Nation

The 1968 session of Girls Nation sponsored by the American Legion Auxiliary was held this year at Georgetown University in Washington, D.C., from July 26 to August 3. This week long event was attended by some ninety-eight state representatives, two from each state.

The purpose of Girls Nation is to foster an understanding of our American government and consequently the theme of this twenty-sixth annual session was "Americanism."

To promote the theme the nation delegates set up a mock federal government with an election of president and vice president and the appointment of cabinet members, chief justices, and department officers. This session also included tours of government offices in Washington and meetings with such personalities as Secretary of State Dean Rusk and state congressmen.

Key Club

The RHS Key Club is a civic service organization for young men of high school age. Key Club is sponsored by a Kiwanis Club, as are other Key Clubs across the nation. Key Club's organizational make-up is patterned after that of Rutland Kiwanis.

During the 1968-'69 school year the Key Club took tickets at home football games, presented the Christmas Dance, "The Mystic Snowflake," raised money in a bottle drive, and provided coat check and sold programs at home basketball games. Money raised each year by the Club is given away as scholarship to seniors chosen by the Guidance department.

The Mimes Dramatic Club

The Mimes Dramatic Club of 1968-1969 wishes to express their sincere appreciation to Mr. Henry LePage, without whose services the club could not exist.

The projects of the Mimes this year included several one act plays; the best to be entered in the annual contest; and a multi-act play.

The members of this organization learn all the phases of acting, make-up, lighting, stage-setting, and directing.

The president of the Mimes Club is chosen for a two year term. This year's slate of officers was President, Stephen Sachtleben; Vice-President, Thomas Kelley; Secretary, Linda Berger; and Treasurer, Lenny Savage.

The Girls Athletic Association, organized for sports minded girls, held meetings every other Thursday under the guidance of Mrs. Gail Courcelle.

The G.A.A. sponsors all girls teams consisting of softball, basketball, skiing, track and gymnastics. They have also sponsored busses to football and basketball games.

In the fall and spring they hosted tasting suppers and in February the girls put on their annual Sadie Hawkins Dance.

Officers for the 1968-1969 year were Lucy Holden, President; Nancy Lavin, Vice President; Donna Icken, Secretary; and Karen La Vecchia, Treasurer.

MSJ	18	Rutland	6

Rutland concluded this year's moderately successful 5-3 season by dropping a tough 18-6 decision to cross-town rival MSJ. A second-half surge by the Raiders fell short as time ran out on Rutland, and the Mounties copped the Division I Southern Championship.

The Raiders were not expected to field a strong team this year, but Coach Joe Teta molded together a fine squad, with team-work accounting for their success.

The team reached its peak when it destroyed unbeaten Rice 42-14, to remain undefeated with a 4-0 record. The first string played three quarters, scoring every time it had the ball and not giving up a point.

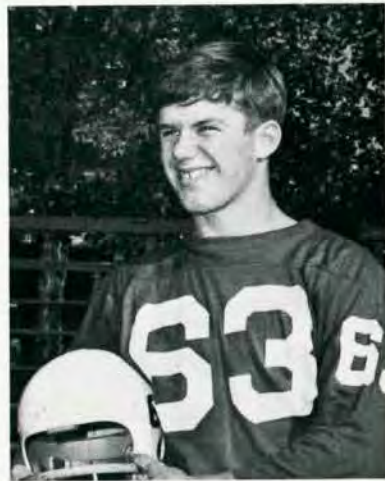

There were twelve seniors on the team, eleven of which reached the end of the season. The twelfth, Bill Goodrich, was injured quite seriously in the Burlington game and was unable to play in the MSJ game.

The other seniors were tri-captains John Thomas, Jim Potter, and Mike Schoenfeld, Carl Oberg, Greg Fineberg, Dave Stapleton, Earl Olson, Chris Braves, Pat Marro, Brian Layn, and Tom LaMontagne. This group made a huge contribution to the team's success.

However, there were other standouts this year. On offense Tom Dunn was spectacular, leading the team in rushing and scoring, and Bill Looker, Al Cox, and Brian MacCarty played well. Defensively, Frank Spencer, John Lafaso, Buzz Barton, and Julius Kapitan turned in fine performances.

The ability of the team to get the most out of each player was what made 1968 an exciting football year at Rutland.

Basketball

The Rutland High School Raiders basketball squad finished an otherwise successful season with a 41-39 loss to MSJ on March 6th at the Hartford gym.

The Mounties gained revenge for their previous two losses to Rutland High this season, and nine straight losses over a five-year span. In a loosely played game, tournament tension got the better of both clubs as the Raiders had to come back from a nine-point deficit but ran out of time.

The Raiders gained the quarter-final match after decisively beating Brattleboro, 60-44, in a playdown at Mt. Anthony. Senior center Joe Phillips and sophomore Bill Looker led the Raiders this year in scoring and rebounding. Seniors Dave Stapleton and Earl Olson along with juniors Frank Spencer and Al Cox, sophomores Bob McMahon and Scott Merett, and freshman Terry Swane all had impressive seasons.

At the beginning of the season, few people picked Rutland to have much success in Southern Vermont League action. But the Raiders were 12-3 and compiled a 14-8 season record that included 58-57 and 60-56 wins over rival Mt. St. Joseph.

Seniors Olson, Phillips, and Stapleton all had careers at Rutland, and they will be missed. But all past Leamy-coached basketball teams have been contenders, and the following seasons should be no different.

Cross-Country

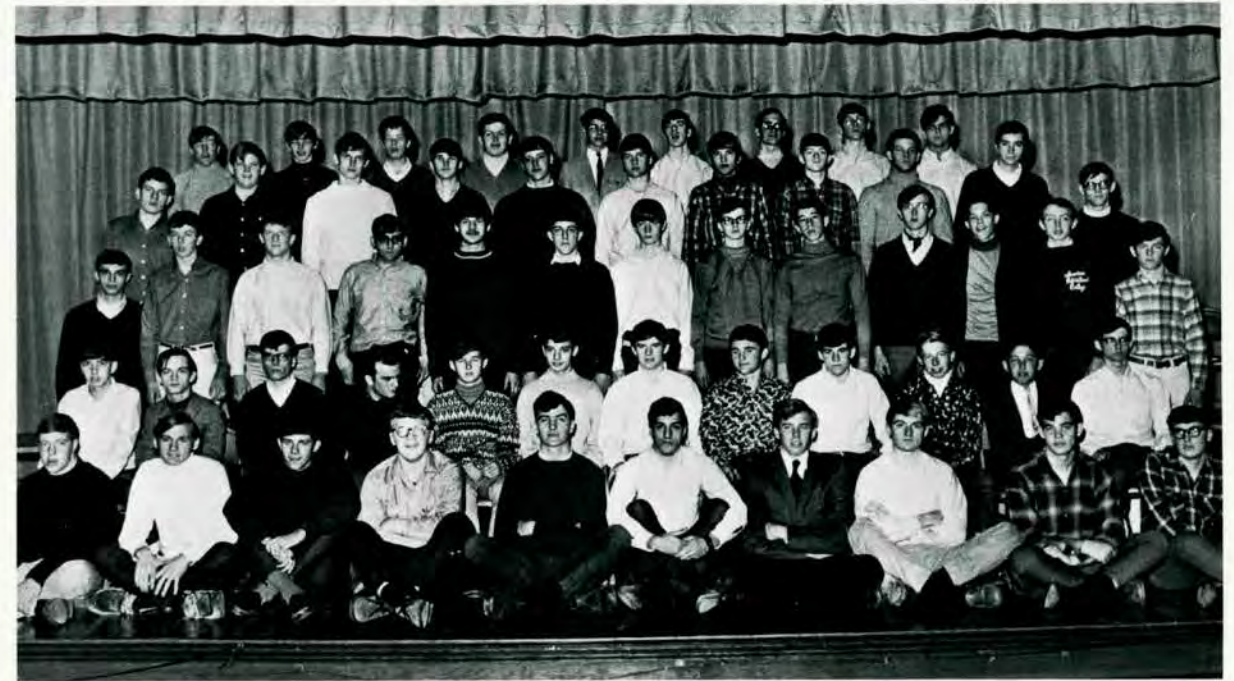

VARSDITY CROSS COUNTRY
1st Row—L. to R.: W. Hebert, E. Derby, V. Reginbald, P. Short, J. Gathier, D. Kellogg, D. Kinsman, J. Elliot, 2nd Row—Coach Short, M. Zellar, D. Johnson, G. Smith, D. Sylva, M. Garafona, B. Mangan, D. Davis, R. Savage.

The last boy across the finish line at the State Meet in Burlington signified the end of the 1968 Cross-Country season. Rutland's participation in the October 29 meet at UVM resulted in a fifth place out of nineteen other competing teams. Barry Mangan, captain of this year's team, ran best for Rutland with a time of 13 minutes flat. Barry's time is the fifth best ever accomplished by a Rutland runner.

With a season of more than nine scheduled meets the CC team ended with 50 percent wins. Most difficult battles were with two out of state teams, Brockton, Mass. and Sagre, Penn. UVM freshmen also gave the thinclads a thorough going over. The least difficult win to obtain for Rutland came from Springfield on their own home territory. The best meet of the season was with Bellows Falls at the Rutland Country Club. Mr. Short believes that support given by spectators at this meet greatly bolstered the spirit of the Rutland team. Distance runners performed much better than they might have without the interest shown by RHS students.

Intramural Basketball

Throughout the winter season on Tuesday and Friday afternoons, the Rutland High School Gym resounds with the cries of the Hatchet League. This astute athletic organization is comprised of eight, seven man teams. The members of each team are chosen at random from a list of interested parties by Mr. Rippon, the boys Physical Education teacher. He is familiar with most of the boys' athletic abilities. Each team plays eight games in regular season play. There is also a tournament at the end of the season. An all star team is chosen of the more skilled senior players who, at the end of the season, run circles around a faculty team in an annual all-star game.

Rutland High School had a successful indoor track season, highlighted by a second place in the state meet at Dartmouth, just one point behind winner Lyndon Institute, $36\frac{1}{2}$ to $35\frac{1}{2}$. The Raiders were paced in this meet by Dave Kellogg and Lee Cheney, who won the 1000 meter and 600 meter races respectively.

Coach Hugh Short's team was led throughout the season by Cheney and Kellogg, along with middle and long distance winner Barry Mangan, sprinter Tom Garafano, and shot-putter Carl Oberg. Also performing well for Rutland during the 1969 season were high jumpers Steve White and Rick Savage, Steve Sachtleben, a hurdler and sprinter, and Dave Kinsman, who ran the 600.

Following the state meet Rutland travelled to the University of New Hampshire for the Northern New England meet, where Vermont did rather poorly, scoring only four points. Rutland picked up one of these points when their relay team of Mangan, Cheney, Garafano, and Kinsman finished fifth.

The 1969 Rutland High School Ski Team struggled through a rebuilding season. Boasting only two regular senior members, alpine expert Craig Robinson and cross country whiz Tom Lamontagne, the Raiders were severely handicapped. However, remarkable improvement among underclassmen in all events aided their record substantially.

Their greatest achievement in "69" was a hard-earned 7th place in the Southern District Meet at Brattleboro. The Raiders were a close second after the Giant Slalom in which Mike Shoenfeld, took first place; and after a fair showing in the jump, the Raiders stood in 3rd place. The cross-country event proved fatal for the hard-working Raiders, and the final results found the Raiders in 7th place. Since only the first four teams can compete in the state meet, Rutland was ineligible to go for the first time in many years.
